## Minutes for Cavendish PTA meeting 15.05.2014

**Present:** Nicola Tatton, Vanessa Watt, Rob King, Clare McCarron, Janet Marland, Dawn Lapping, Jen Barnes

**Apologies:** Si Manning, Rosheen Hanley, Michelle Threfall

### 1. Treasurer's Report

There is just over £3,000 in the bank

### 2. Gardening Club

A grant has been applied for £10,000 for Gardening Club but Caroline Blackburn has requested that the PTA fund Leoni until we find out about the grant. All agreed it would not be feasible to fund Leoni. However Leoni has also been offered a job so Janet Marland is going to chat with Leoni and find out what is happening as there might also be someone else interested in her role.

### 3. Events

#### Summer Fair

Will take place on 27th June at 5.30 – 7. The fair will feature a sausage sizzle, bouncy castle, alcohol will be provided. Dawn is in charge of alcohol and Clare will sort licence. Janet will ask Taylor Shaw to get involved and meat will be provided by Frosts. Nicola to advise on the best option for vegetarians and Nicola is also kindly lending her bar equipment and pitchers. Rob King is organising sports events. Agreed that everyone needs to find volunteers for face painters and for people to do glitter tattoos. Carla is to be asked to do beading for necklaces, headbands etc. We also need to find volunteers to help set up in the afternoon.

#### Didsbury Festival

The lady who organises the procession is annoyed as Cavendish have not sent the form back yet and Janet Marland will be making apologies for that. However, Cavendish staff are tied up with a Charity event on the 7th June which would make it difficult to enter into the procession as they can't supervise. All agreed that we should get parents to volunteer and go ahead with the procession if we are permitted to do so. The theme is music and dance. Volunteers are needed on that day to man the Cavendish stall and do face painting.

### 4. Teachers Request Funds

**RH** has requested £450 to do the Crucial Crew for half a day for Year 6. It would involve setting up emergency scenarios such as a fire in the bedroom, stranger danger and train tracks – Agreed

# Cavendish PTA

**MT** has asked for £100 sponsorship of the Lapwing Lane Arcade Canopy which would mean we would have Cavendish Primary School etched onto a panel - Agreed

**JM** has asked for £1000 in honour of the WW1 Centenary Recognition. The money would go towards bookings to see War Horse in September for Years 5 and 6 as many parents can't afford £20 tickets. Suggestion was made and agreed that we use the Summer Fair as a fundraiser for that and it would act as an incentive to teachers to raise it – Agreed

**Cavendish PTA agreed to donate a total of £1,550 to the school to fund the above projects.**
